

## CRC Group Overview

CRC Group leads the industry with \$10.6 billion in gross written premiums, 2400 employees, 1100 producers in 83 offices, and over 90 years of credibility in the wholesale insurance marketplace.

The company is a leading producer in each of the market segments and a leading producer in each of the major wholesale arenas (Brokerage, MGA, and Specialty Programs management) with access to over 300 domestic and international carriers.

Our size and scope allow us to meet the wide range of your insured's needs and provides a wealth of expertise and experience that empowers you to access better solutions.

**Placing You First.** Winning on tough accounts is table stakes for wholesale brokers. We think you deserve more. CRC Group places you first by aligning our efforts with your goals and sales strategies.
